Military Transport
Association

Membership Chairman
P.O. Box 393
Budd Lake, NJ 07828

Or Join online at:
<http://www.mtaofnj.org>

Welcome to
**The Military Transport
 Association's 2007
 Military Vehicle Show
 and Swap Meet**

The MTA is excited to present this year's show at the wonderful Sussex County Fairgrounds, home of the NJ State Fair! Over the years we just outgrew the other locations where the show was previously held.

We are also excited that 2007 marks the 35th Anniversary of the MTA. The club was originally started back in 1972 and from that early beginning it has grown to a membership of approximately 200 today. While you are visiting our show today please stop by the MTA 35th Anniversary exhibit and learn about the club's history.

We are also introducing some new events this year which we hope will become regular attractions in the future. Check out the new guided tours of the military vehicles which are on display and the "motor pool" desk which has information about military vehicles for sale, and our most exciting addition: a technical symposium called "MV Tech 2007". Watch technical presentations about military vehicles intended to educate and inform.

We hope you enjoy your visit to our show today. The Military Transport Association thanks you for your attendance and support.

For more information about the MTA visit our website
<http://www.mtaofnj.org>
